1. Make no mistake. There's really only one place to buy your next new Acura. For your best deal, shop "the new guys" at Boyland Acura of Appleton, open weekdays from 9 to 8 and Saturday, 9 to 6 at 4575 Converters Drive. From Highway 41, take Exit #139, the West Northland/double zero exit. Or visit online, 24/7, at www.boylandacura.net.
2. When you develop an affluent, intelligent clientele, you receive more than your share of quality cars in trade. That forms the backbone of Boyland Acura's pre-inspected, pre-owned inventory. Shop with us and you can choose from more than 30 quality vehicles, many factory-certified. Please continue holding. Your call is important to us.
3. The 2007 Acura MDX has everything you want in a mid-sized SUV; fresh styling, more power and new features. No wonder it's a Consumers Guide Online "best buy." Now equipped with a 300-horsepower/V-6 engine, the MDX comes with a standard sunroof, leather upholstery and more. Test drive an MDX, today, at Boyland Acura.
4. There's more than one way to finance a new car. Consider leasing your next vehicle from Boyland Acura of Appleton. Set yourself free from endless monthly car payments with our short-term, 24 or 36-month lease. You could save thousands of dollars starting with your low down payment. Thank you for your patience while holding.
5. Acura assembles some of the finest vehicles found on Planet Earth. But it takes "out of this world" technicians to keep your Acura on track. You want service that's more than adequate. It must be Acurate. For that, see Boyland Service and Parts Manager **Don Graven** and his factory-certified staff, weekdays from 7:30 till 5:30 and Saturday from 8 till noon.
